

EL KARAMA LODGE
LAIKIPIA

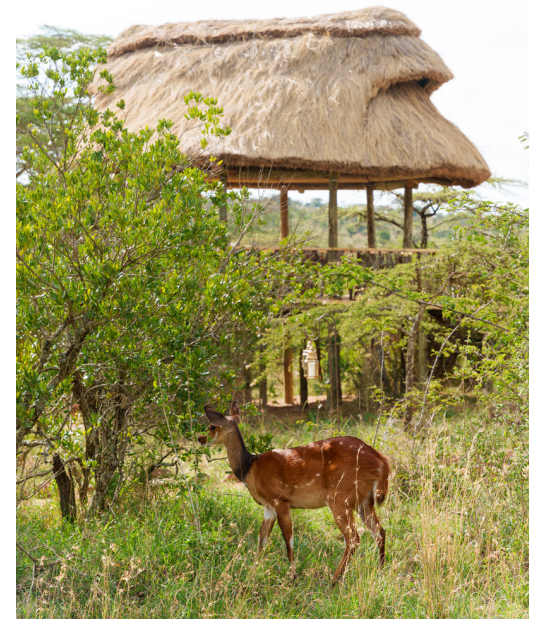

NILOTICA HOUSE

Peace
Immersion
Connection
Privacy

A beautiful and serene house located upriver of the main lodge environment, Nilotica offers special guests luxury, space and privacy in the wild.

Comprising a total of 4 spacious, airy cottages sleeping up to 10 pax, Nilotica Private is designed for Exclusive Use. Guests here have their own private pool, a pool house for dining, a deck for early morning chai and an outdoor fire pit for sundowners under the stars. Guests have their own team to cater for them and a guaranteed private vehicle with space for up to 10 passengers.

Cottages 1, 2 and 3 are all double or twin set ups, with plenty of space, a writing desk and far-reaching views and wildlife passing all day long. Our largest cottage is the Family Suite: made up of two interconnecting bedrooms, the Master double or twin and the second bedroom with space for up to four children. Every cottage has a beautiful, light ensuite bathroom with Terrazo design, a shower, flushing toilets and sinks. All are surrounded by roomy private verandas for reading and game viewing.

Nilotica Private House has its own access track, private wifi, outdoor dining, a salt lick with wildlife and a fire pit for sundowners. Serviced with its own game drive car, guide and steward, it is still only a short walk away from the main lodge including its larger pool and The Bush Spa for treatments.
